

# “Market Prediction Holds...again.”

Herbert M Barber, Jr, PhD, PhD  
Managing Partner & Chief Investment Officer  
Xicon Economics, LLC Savannah, Georgia

“Once again, our prediction has held. The 2021 model Xicon Economics developed demonstrated strong statistical evidence that the market would drop to 3,650 in 2022, stabilize, then begin its return toward a slow recovery. – Herbert M Barber, Jr, PhD
